Preamble

Section II, Data Sheet, provides the specific information in relation to corresponding paragraphs in Section I, Instructions to Participants, and must be prepared by the Client for an individual procurement process, reflecting its specifics.

In this Section, the Client should provide information and requirements specific to the circumstances of the Client, the project legal and financial arrangements, the procurement process, the requirements, the applicable rules regarding the evaluation of applications as well as the eligibility and qualification of the Participants that will apply.

Whilst preparing Section II, Data Sheet, the following aspects should be addressed:

- (a) information that provides particularities in respect of or complements provisions of Section I, Instructions to Participants, must be incorporated; and
- (b) amendments and/or supplements, if any, to provisions of Section I, Instructions to Participants, as necessitated by the circumstances of the specific procurement process.

Where applications are invited for a number of contracts, suitable wording should be introduced to allow Participants to apply for an individual contract or a group of contracts.

Notwithstanding the Instructions for Use for the Procurement Document, in this Section the provisions in regular font pertinent to the use of the Bank's Client E-procurement portal may need to be modified if an alternative e-procurement system or a paper based approach are used for the Procurement Process.

All paragraph references used in this Section shall correspond to the respective paragraphs in Section I, Instructions to Participants.

A. General

- (xi) *[evidence of participation (membership) in self-regulating associations];*

[List further additional information, as appropriate]

[In case a Participant does not possess some of the required licences, certificates and permissions at the time of submission of its application, the Participant shall submit a written statement demonstrating that it will be in a position to obtain in due time the required licences, certificates and permissions to ensure timely implementation of the Contract.]

Clients are recommended to minimise the documents to be submitted but reserving the right to request additional documents, if necessary.

11. Format and Signing of Applications

- 11.1 *[If the Procurement Process is conducted in a paper based manner, and the Client, in addition to the original, requires Participants to submit further copies of their applications, please use the following wording:*

A Participant shall submit [insert a number of copies] copies of the application in addition to the original version.

In the event of any discrepancy between the original and the copies, the original shall prevail.]

D. Submission and Opening of Applications

12. Submission of Applications

12.1 Participants shall submit their applications electronically using ECEPP.

The application submission process is subject to the terms and conditions of use of ECEPP in addition to the terms and conditions of the Procurement Document.

A Participant shall scan and upload on ECEPP all the documents required in accordance with ITP 10.

Please note that no paper original or copies shall be submitted to the Client.

Applications submitted by hand or by email may not be considered.

[If the Procurement Process is conducted in a paper based manner the following wording can be used:

The applications shall be submitted by mail or by hand to the Client's address, as follows:

The envelopes shall:

- (a) bear the name and address of the Participant;*
- (b) be addressed to the Client;*
- (c) bear the identification of the Procurement Process; and*
- (d) bear a warning not to open before the formal application opening.*

If envelopes and packages are not sealed and marked as required, the Client will assume no responsibility for the misplacement or premature opening of an application, or any of its parts.]

[Where an alternative e-procurement system is used details of the electronic submission shall be provided, as appropriate.]

13. Withdrawal and Modification of Applications

- 13.1 A Participant may withdraw or modify its application after it has been submitted by using the functions available in ECEPP, providing such action is completed prior to the deadline for submission of applications, stated in ITP 14.1

The applications that are withdrawn shall be registered in ECEPP as 'WITHDRAWN'. The Client will have no access to such applications.

[If the Procurement Process is conducted in a paper based manner the following wording can be used:

A Participant may withdraw or modify its application after it has been submitted by sending a written notice, duly signed by the authorised representative.

All notices must be prepared and submitted in accordance with ITP 12. The respective envelopes shall be clearly marked "WITHDRAWAL," or "MODIFICATION". The modification of the application shall be enclosed to the respective written notice.

Applications requested to be withdrawn shall be returned to the respective Participants as soon as practicable.]

[If an alternative e-procurement system is used, please provide a description of the electronic application withdrawal and modification procedures.]

- 13.2 Any withdrawal or modification to the application shall be valid only if they are made by an authorised person via ECEPP, as provided for in ITP 13.1.

14. Deadline for Submission of Applications

Please ensure that sufficient time is given to the Participants to prepare and submit their applications.

Please see the respective provisions of the PPR for further guidance.

- 14.1 The Participants shall submit their applications electronically via ECEPP no later than the deadline for submission of applications at the time and date stated in ECEPP.

The Client, the Bank or ECEPP provider do not bear any responsibility for the failure of a Participant to submit its application on time for any reason whatsoever.

[If the Procurement Process is conducted in a paper based manner the following wording can be used:

The deadline for submission of applications is:

Date: [insert the date (as day, month, and year format)]

Time: [insert the time (in 24 hours format) and the time zone]]

16. Application Opening

The time for the application opening should normally be the same as for the deadline for submission of applications or promptly thereafter.

- 16.1 Application opening will be undertaken automatically in ECEPP for all applications, which are submitted by the deadline for submission of applications, as set out in ITP 14.1.

[If the Procurement Process is conducted in a paper based manner the following wording can be used:

The Client shall conduct the application opening in the presence of the Participants' designated representatives, who chooses to attend the opening, at

Date: [insert date (as day, month, and year format)]

Time: [insert the time (in 24 hours format) and the time zone]

City: [insert the name of city or town]

Postal Code: [insert the postal code]

Country: [insert the name of country]

First, submissions marked "WITHDRAWAL" shall be read out and the corresponding applications shall not be opened, but returned to the Participants.

Next, submissions marked "MODIFICATION" shall be opened and read out with the corresponding application.

Except for withdrawn applications, the Client shall open all applications one at a time and read out:

- (i) the names of the Participants;*
- (ii) withdrawal or modifications, including their details; and*
- (iii) any other information, as the Client may consider necessary.*

No applications shall be rejected at the application opening.]

[If an alternative e-procurement system is used, please provide a description of the electronic application opening procedure.]

- 16.2 ECEPP will automatically generate a record of the application opening.

The record will include the following information:

- (i) the names of the Participants; and*
- (ii) the addresses of the Participants.*

The record of the application opening will be automatically sent by ECEPP to all Participants, who submitted applications.

[If the Procurement Process is conducted in a paper based manner the following wording can be used:

The Client shall prepare and sign the record of the application opening.

It shall include, as a minimum, the following information:

- (i) the title of the Project;*
- (ii) the title of the Procurement Process;*
- (iii) the title of the Contract,*
- (iv) the place the application opening;*
- (v) the time of the application opening;*
- (vi) the number of the applications received;*
- (vii) the names of the Participants;*
- (viii) withdrawals or modifications, including their details; and*
- (ix) the attendees to the application opening.*

The record of the application opening shall be sent to all Participants, who submitted applications, by email using the email address provided by them in their applications.]

[If an alternative e-procurement system is used, please provide a description of the procedure in respect of preparation of the minutes of electronic application opening.]

E. Evaluation of Applications

18. Evaluation of Applications

- 18.5 *A conditionally prequalified Participant shall correct or rectify the identified deviations, or otherwise meet the conditions of their prequalification prior to [state the event in future or the date].*

Normally the deadline shall be linked to the anticipated date of the invitation to submit proposals, or the deadline for submission of proposals under the follow-up procurement process (at the latest). However, alternative dates or events can be referred to by the Client, depending on the circumstances. In any case, sufficient time shall be given to the conditionally prequalified Participants to address the set conditions.

- 18.6 *[The Client shall evaluated qualification of the Subcontractors, proposed by the Participants for*

[list specific activities, specialised services and/or state the percentage of the anticipated value of the Contract, in excess of which the Subcontractors' qualification will be assessed]

Qualification of the above Subcontractors will be taken into account in the evaluation of qualification of the Participants in accordance with the criteria and methodology as specified in Section III, Evaluation Methodology, and Section IV, Eligibility and Qualification Criteria.]

In addition to the evaluation of the qualification of the Participants, the Client may also wish to assess qualification of the Subcontractors, proposed by the Participant for provision of some services. Normally such assessment shall only be focused on the Subcontractors for critical components of the Contract, specialised services or for the services representing a substantial percent of the anticipated value of the Contract.

- 18.7 The Client shall create a shortlist of the prequalified Participants, using the methodology specified in Section III, Evaluation Methodology.

[Alternatively the following wording can be used:

There is no limit to the number of the Participants to be prequalified].

F. Outcome of Application Evaluation

25. *[Follow-Up Procurement Process]*

25.1 *[Only the Participants, who have been shortlisted under the Procurement Process in accordance with ITP 18.7, will be eligible to participate in the follow-up procurement process].*
